

# Chippenham Folk Festival

What are you doing in Chippenham at the end of May?

For the past 48 years the town of Chippenham comes alive on the Bank Holiday weekend at the end of May. All manner of music, dancing, street entertainers and concerts in the park.

The River Island Park, by the lovely Avon, will be simply buzzing with life with a massive range of things to do for all the family. High quality crafts, entertainers, musical instruments and street food can all be found here and ... all free of charge to attend.

There are music concerts and high energy dances in many of the town's venues too, accessible by buying tickets, for you to enjoy. We are proud to announce some of the very best to ever grace our stages and events for your entertainment with over 90 amazing acts.

If it's children's entertainment you are looking for then do no more than check out the Family Festival with its castle themed own area on the park with absolutely loads for your kids to do.

We have always looking to improve your experience at the festival with new events and activities so keep an eye on our web pages and Facebook for news as it happens or better still, sign up to our newsletter email list to be best informed.

Fancy some storytelling? We will be using the Yelde Hall again at the top of town, as a venue specifically for the power of the 'Word'. This will become the venue of choice if you want to listen and maybe even participate with the very best storytelling and ballads. Our story

master, John Row has brought together a brilliant array of performers for 2020 and we can't wait.

Whatever it is you are looking to do over the Spring Bank Holiday weekend you will find it at the 2020 Chippenham Folk Festival. Artist details, tickets and more information are all available on the website [www.chippfolk.co.uk](http://www.chippfolk.co.uk), Facebook and twitter.

**CHIPPENHAM FOLK FESTIVAL**  
22ND - 25TH MAY 2020
