

NEW KITCHENS AT KNEES

Words supplied

Knees have combined 140 years of expertise with carefully selected, experienced and knowledgeable business partners that share our company values. Working together we provide the very best in kitchen design, installation and construction requirements. We control and project manage the end-to-end creative process which delivers the kitchen of your dreams.

At every step of the way from design to delivery we have assembled a team with the skills to take control and manage each aspect of your new kitchen project.

Our aims are simple: to make your kitchen project experience as hassle free as possible and; an enjoyable, creative process which delivers the kitchen of your dreams.

THE KITCHENS

Masterclass, makers of award winning kitchens, are an innovative family business that have been manufacturing kitchens since 1975 in the UK. With over 270 different doors, 40 colours and 16,000 different cabinet configurations, choice is at the heart of every Masterclass kitchen design. Choose your favourite Modern or Classic style and start the journey to a kitchen that has the quality to last a lifetime.

THE DESIGNERS

Our kitchens are individually designed and made for each customer. It starts with a conversation, and our designers listen and develop those discussions into your ideal

kitchen. Our designers, Richard and Ross, can guide you through the process whilst providing their expert practical advice.

THE APPLIANCES

As an independent family retailer since 1879 we are proud of our heritage. The skills and knowledge of our friendly team combined with an extensive choice of appliances, across all major manufacturers, allow us to help you find

the appliances to perfectly compliment your new kitchen.

THE FITTERS

SMH Construction are a well-established family business, and members of the Federation of Master Builders. SMH believe in exacting standards and have a collaborative approach to ensure the smooth running of your kitchen installation. They offer a wealth of experience and trade skills with projects ranging from small alterations and kitchen replacements through to building extensions. Their knowledge and expertise means they can manage and deliver your kitchen project with dependable commitment to quality of work, scheduling and cost control.

BOOK A DESIGN APPOINTMENT

Located in the Knees Trowbridge store at Spitfire Retail Park, the kitchen showroom has been designed to offer an interactive and immersive experience. If you would like to discuss your new kitchen ideas with one of their kitchen designers pay a visit to the store or call 01225 759810.
