

Become part of the local community at Wadswick Green

Residents at Wadswick Green, a lifestyle village for over 60s, have become an integral part of the local community. The 25-acre site is surrounded by scenic countryside and is just five minutes' drive from Corsham.

Wadswick Greens' popular onsite restaurant, The Greenhouse Coffee Shop and Restaurant, attracts visitors from miles around thanks to its charming décor, large sun terrace and great menu. Head Chef Darren has designed his menus around local produce to retain the village's strong connection to the area and he has put a contemporary spin on traditional local recipes. The Greenhouse holds regular events throughout the year that are open to locals and residents alike, recently hosting the Corsham Seniors Special Area Board Meeting in partnership with Age Wiltshire and Wiltshire Rural Music on Wednesday 4th March.

Wadswick Green only employs local staff, making it a convenient way for residents to remain connected with the local community and tap into knowledge around the latest events and developments happening around the area.

To help support the local Corsham food shops and merchants, deliveries are made available to residents. Dairy products can be delivered directly to their front door by Corsham-based Plank's Dairies, as well as quality meat from award winner Toby Haynes Family Butchers, and fresh fruit and vegetables from May's Greengrocers in Corsham.

Ash Lane is the newest phase of apartments on offer and comprises of 45 modern one, two and three bedroom

residences with prices starting from £370,000. There are also The Pavilion one bedroom apartments, with amenities on their doorstep, available from £229,500.

Interested buyers are encouraged to visit the selection of showhomes at Wadswick Green, allowing visitors the opportunity to experience the quality of the properties first hand and discover the extensive onsite amenities, including a swimming pool with Jacuzzi, sauna and steam room, gym, spa and hair salon.

All homes at Wadswick Green feature an open-plan layout that creates an inviting atmosphere for entertaining friends and family. The living rooms have floor-to-ceiling double-glazed windows that make the most of the natural

daylight and lead onto walk-on balconies with picturesque views.

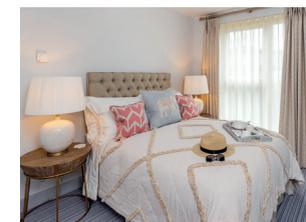

Rangeford Villages, the company behind Wadswick Green, are currently offering 'Two Years Annual Fee Paid' as an incentive for moving to Wadswick Green, terms and conditions apply - subject to reservation by 31st May 2020 and legal completion by 31st August 2020.
